August 2024

2024 Freshman Orientation

On August 22, 2024, the freshman orientation was held in the school auditorium. Over 80 new students attended this year, making it an informative session that covered various topics such as an introduction to the school, course registration, exchange programs, scholarships, and campus life. Additionally, students dispersed into their respective departments to meet with professors and receive more detailed guidance about their academic journey.

2024 Matriculation Ceremony and Honorary Doctorate Awarding for Chairman Heo Un-Haeng

On August 26, the matriculation ceremony for new students was held in the auditorium. Many guests from Korea attended the event, which also featured a ceremony to award an honorary doctorate degree to Chairman Heo Un-Haeng.

Exchange Program

For the Fall 2024 semester, nine students were selected for the exchange program, giving them the opportunity to study in Korea for one year. On August 26, they gathered with the deans for an encouraging session, preparing them for a successful and enriching experience abroad.

School Accreditation

Thanks to the hard work of various faculty and staff members, Huree University received a five-year accreditation from the Ministry of Education on August 27.
