June 2024

Inspection for certifying CS and IT departments

On June 3rd and 4th, an inspection team for certification of the CS and IT departments visited the school. To prepare for this, all faculty and staff stayed up late the night before, cleaning and preparing documents.

Gifts given to top graduates

CS Department student Erden-uul graduated as the top student in the entire university this year, and Vice Chairman Seo Chang-woo presented him with a laptop as a gift. (June 3rd)

Professor Wooyoung Song's 70th birthday celebration event

On June 8th, the professors celebrated the 70th birthday of Professor Wooyoung Song, who has worked at our school for many years.

Inspection for certifying KL department

On June 12th and 13th, the KL Department certification review team visited our school. To this end, Building C classrooms were cleaned.

Inspection for School Accreditation

June 19th and 20th, an inspection team for school accreditation visited the school. School accreditation takes place every 10 years, and this year marks the 10th year, so we have been subject to an accreditation review.
