On May 3, we had the opportunity to present 9 papers recommended by the heads of each department among this year's graduates.

A total of 18 students from 7 departments presented as teams or individuals, and they were awarded the Best Paper Award at the graduation ceremony.

Completion of Teacher Training

On May 14, after completing a month-long teacher training program in Mongolia, seven Korean professors and three Mongolian professors from our university obtained qualifications compliant with the Mongolian education law. Notably, Professor Kim Youngmi from the Department of Computer Science achieved the highest score among the 40 participants with a score of 98. In the closing address, the Chair of the Teacher Training Committee remarked that the team from our university - consisting of Shin Kwangcheol, Park Eunkyung, Park Kyunghee, and Kim Yoonja - gave an impressive presentation on "What Mongolian Universities Need to Enter World Rankings."

12th Huree Academic Conference

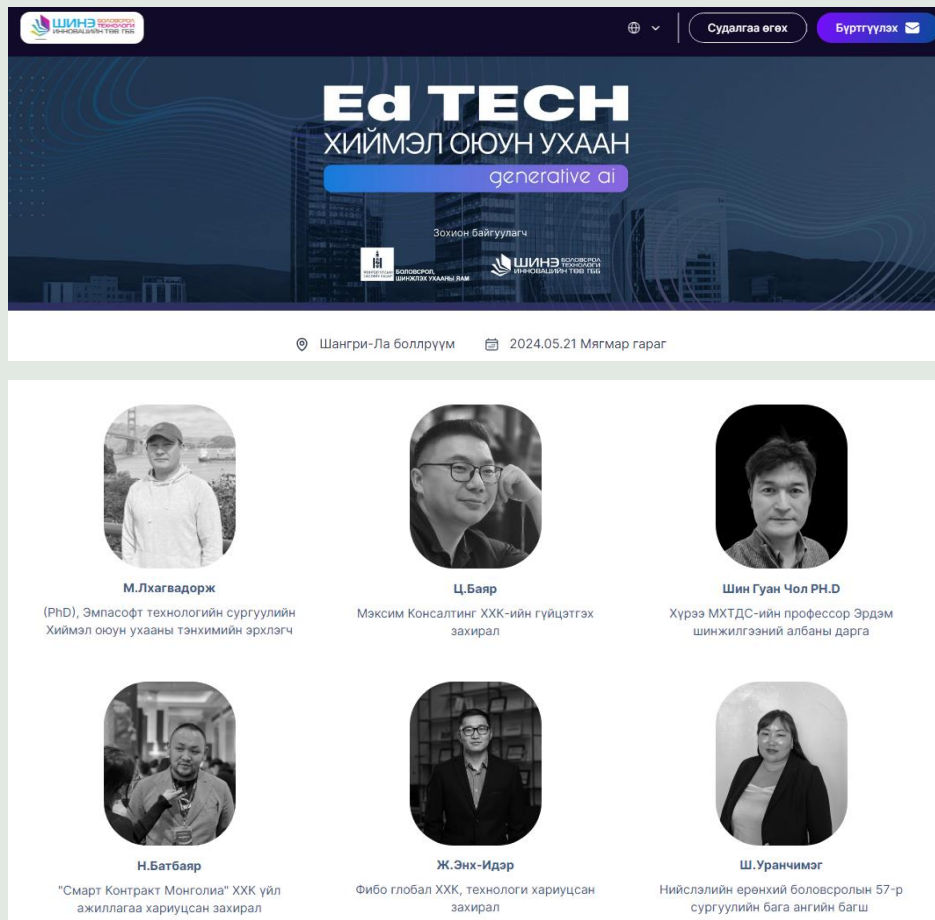

The 12th Huree Academic Conference was held on May 17th, and a total of 10 papers were received, of which 8 papers were presented.
